

When you want the 'extra little stuff'...

this plan does not disappoint!

This exceptional home gives every family the space they need! Start with the Master suite like no other! It seamlessly flows from the master bath to the master closet to the laundry and mudroom – all without walking through the main living area! You also have a large kitchen pantry, pocket office and storage galore.

# Model Home The Claremont

 2,284 sq. ft.

 3 Bedrooms

 2 Bathrooms

 3 Car Garage

## Other Features:

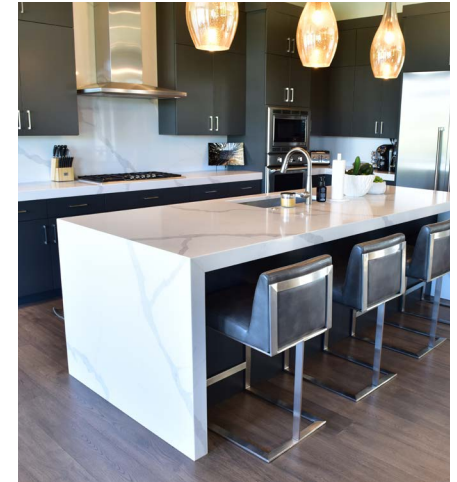

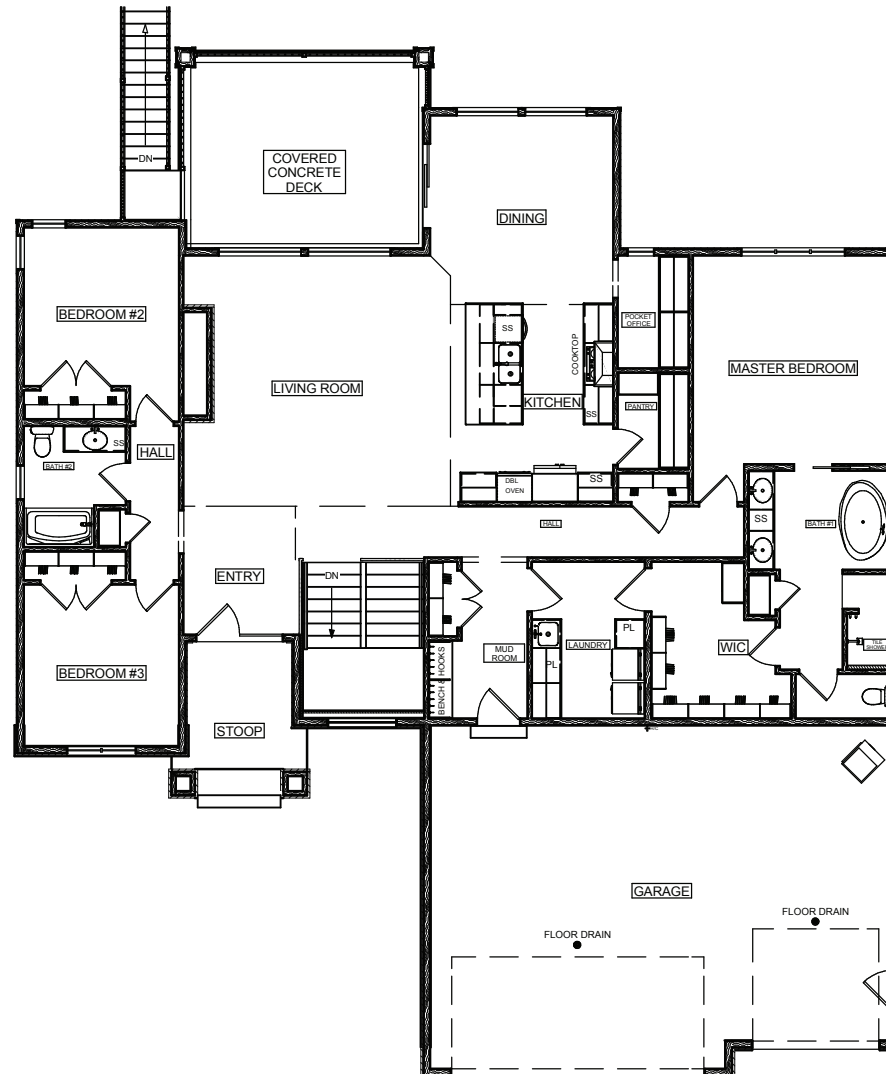

Great Room with Fireplace

Pocket Office

Large Kitchen Pantry

Mudroom

When you want the 'extra little stuff', this plan does not disappoint! As you walk in the front entry you are greeted with a large main living space that you'll for sure want to entertain in. Along with the Master, you have 2 additional bedrooms and a large bathroom. Two more bedrooms, a bath and a large family room with a wet bar can provide you an additional 1427 lower level living space!
