

This contemporary duplex is perfect for young families...

couples and professionals who work from home.

This family-friendly home puts all three generously-sized bedrooms on the second level, along with a loft and laundry area that separates the master suite from the other two bedrooms. A jack-and-jill bathroom between the second and third bedroom provides clever convenience for kids or guests, while the master suite has its own bath and a large walk-in closet complete with a small window for natural light.
