

Model 2266

A creatively designed look...

that puts your home front and center.

With just a little twist on tradition, the 2266 model offers a creatively designed look that puts your home front and center. Inside this wonderfully built home you'll discover a long list of reasons for falling in love, including eleven foot ceilings in the master suite, transom windows in the master walk-in closet, a walk-in kitchen pantry and storage galore.

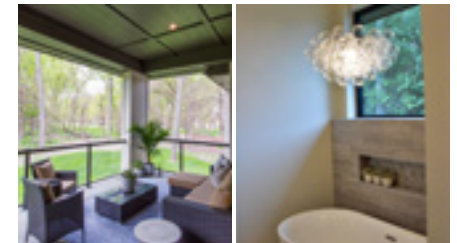

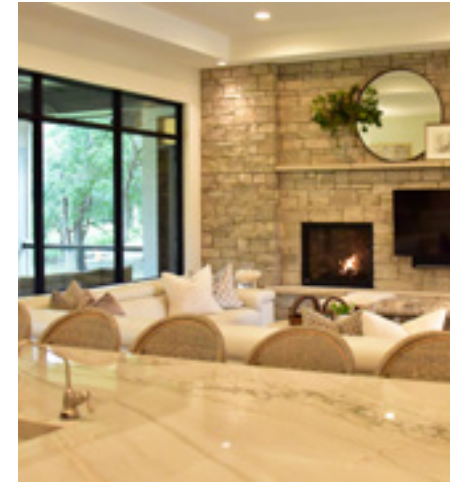

Model Home 2266
