

This home has it all...

With details and amenities to spare.

Combine high style with smart thinking and you've got the Elway, an amazing home design that packs a lot of punch into just over 2,000 square feet. This energy efficient home is built with you in mind. Imagine greeting guests on a cozy covered front porch, relaxing by the living room fireplace or ending your day in your gorgeous master suite, which is separated from the other bedrooms for maximum privacy.
